Aquamat Pool covers and rollers

(Please see website for more details)

We deal directly with Aquamat who are a trade only supplier of covers and rollers. Aquamat offer top quality covers, as well as being extremely helpful. Below are examples of their most popular covers and rollers.

	<p>Standard Light Blue Entry level cover</p> <p>3 year pro-rata warranty 0.37 kg/m²</p>
	<p>Solar 2 500 with UV3+ floatron use and recommend this cover!</p> <p>4 year pro-rata warranty 0.46 kg/m² The Solar2 500mu gives both UV and infra red heat gain plus extra UV protection, extra chemical resistance, highest heat gain.</p>
	<p>Slide 'n' Lock</p> <p>The Slide 'n' Lock range features fixed, mobile, wall mounted and wall plate models. The standard height to the rolling tube centre is 15". The rolling tube has a slide adjustment mechanism to adjust for the width of the pool.</p>
 <p>(ideal retro fit for outdoor pools)</p>	<p>Prism Reel floatron use and recommend this reel!</p> <p>The Prism reel is a 12v.D.C. battery operated reel system. The battery is housed in the end stand and charged by a daylight sensitive solar cell. Available in two sizes to suit pool widths of 12ft - 15ft and 15ft -20ft. This reel is ideal to retrofit to existing pools as it requires no mains electrical power supply or wiring. The Prism is available with a key or remote switch operation.</p>
	<p>Winter Covers</p> <p>Economy non Criss Cross and Criss Cross</p>
